The Oklahoma State Board of Podiatric Medical Examiners met on September 27, 2024. The special meeting was held consistent with the Open Meeting Act, 25 O.S.2011, § 301 *et. seq.* Advance notice of this special meeting was transmitted to the Oklahoma Secretary of State on September 12, 2024, and posted on the Board's website on September 23, 2024, at 8:28 a.m. in compliance with 25 O.S. § 311.9.

Members present:

Jeremy Mason, DPM President
Angela Schuff, DPM, Secretary-Treasurer
Bradley Beasley, DPM
Nicole Cupp, DPM
Mr. Charles Coker, Public Member

Member(s) absent:

Bradley Nelson, DPM, Vice-President

Others present:

Sandra B. Harrison, JD, Executive Director of the Oklahoma Medical Board
Barbara Smith, Executive Secretary for the Oklahoma Medical Board
Lisa Cullen, Director of Licensing for the Oklahoma Medical Board
Madalynn Martin, Assistant Attorney General and Board Legal Advisor

Having noted a quorum, Dr. Mason called the meeting to order at 1:30 p.m.

Following review, Dr. Schuff moved to approve the special meeting minutes of May 10, 2024, as written. Dr. Cupp seconded the motion and the vote was unanimous in the affirmative.

The Board then reviewed the request of **ERUM QUADEER, DPM**, for a request of waiver for continued medical education requirements. Dr. Quadeer stated most of the CMEs she obtained were courses offered online. She has not been able to attend the last few meetings of the Association to earn CMEs through them. Following discussion, Dr. Mason moved to grant the requested waiver to extend the CME deadline to four years for a total of 120 CME hours with 60 hours of those to be obtained in Oklahoma. All hours must be compliant with the current Podiatric laws and rules. Dr. Beasley seconded the motion and the vote was unanimous in the affirmative.

Next, the Board reviewed the following incomplete applications for licensure:

POD 404 CHANDRA, AMAR
POD 405 GIANGRECO, BERNADETTE

Following review, Dr. Mason moved to approve the applications pending completion of the files. Dr. Cupp seconded the motion and the vote was unanimous in the affirmative

The Board then reviewed the status of licensure changes from active to retired for the following podiatrists:

POD 156 MURRAY, THOMAS
POD 167 CROTTY, ROBERT ANTON
POD 175 HOSLER, SCOTT ALAN

Following review, Dr. Schuff moved to ratify the change of licensure status as presented. Dr. Mason seconded the motion and the vote was unanimous in the affirmative.

Following review, Dr. Mason moved to ratify the re-registration applications previously approved from March 1, 2024 through August 1, 2024 and attached hereto as *Attachment #1*. Dr. Beasley seconded the motion and the vote was unanimous in the affirmative.

Next, the Board reviewed the results from the recent CME Audit. No board action was necessary regarding this item.

Dr. Beasley led a discussion related to the **Podiatric CME Review/Audit Process**. Dr. Beasley stated it would be helpful to be able to discuss issues with other board members during the review process. The Board was advised that discussions among board members may legally occur outside an open meeting providing a quorum of the board is not present.

Then, Ms. Harrison presented the Executive Director's Report as follows:

- **Statistics** – The agency has received 129 renewals, two training applications and six applications this year.
- **Executive Order 2024-14** – The information required by this Executive Order has been finalized and provided to the Licensing Taskforce. Ms. Harrison attended an Interim Study regarding gatekeepers in licensure boards which is related to the Executive Order. The focus of the Interim Study meeting was primarily on investigations. The Legislative Office of Fiscal Transparency (“LOFT”) suggested that all medical licensure boards consolidate under the health department. LOFT also advised that they are concerned the AG's office is not sufficient to guard licensure boards against potential anti-trust issues. Ms. Harrison will provide additional information to the Board via email later this afternoon.
- **Request of Rep. Steve Bashore for AG Opinion regarding Out-of-State Prescribers** – This request resulted from pharmacists and manufacturers questioning when CDS prescriptions are received from out-of-state prescribers. Because the law is nebulous, there is really no authorization to prosecute the prescribers in this regard. In closing, Ms. Harrison advised she expects a busy legislative session.

There being no further business, Dr. Mason moved to adjourn the meeting. The time was 2:12 p.m.
